

Rule of Two Policy

The goal of the Rule of Two is to ensure all interactions and communications are open, observable, and justifiable. Its purpose is to protect participants (especially minors) and coaches in potentially vulnerable situations by ensuring that a coach is never alone with an athlete. There may be exceptions for emergency situations. The Rule of Two states that there will always be two screened and NCCP-trained or certified coaches with an athlete in situations where the athlete is potentially vulnerable. One-on-one interactions between a coach and an athlete, without another individual present, must be avoided in all circumstances except medical emergencies.
